PLEASE NOTE: You will not receive written confirmation of your reservation. You can check the current reservations at www.bgbsa.org. It is updated weekly. Reservations for weekend use must be made by contacting the Blue Grass Council Service Center. A Facility/Equipment use permit must be filled out. The use permit may be faxed to the Service Center. Please send the completed form to the Service Center at least TWO weeks in advance, so preparations can be made for your arrival. Please note, if you plan to use the lake for swimming or boating, you must use the Troop Safe Swim Defense plan or the Safety Afloat plan, and you must provide the names of your BSA Lifeguards on the use permit. They must show their BSA Lifeguard cards to the Camp Ranger before swimming.		
Reserving camp: If your event will be using camp, you need to fill out the camp reservation form and list all buildings/areas/campsites you intend to use. This greatly helps our staff (office and the Ranger) to allow other units to use camp as well, as there are very few events or programs that should need all of camp. Summer Camp and McKee Fall Adventure being the exception. This form should be included when you turn in the budget or at minimum 60 days in advance.
